### INTRODUCING THE LDV V80 CARGO VAN RANGE

The LDV V80 van offers you the pleasure of car-like handling with the power of an advanced diesel engine. Perfect for all your transport needs, the LDV is designed to carry large loads, while you travel in complete comfort. With a massive number of worldwide sales and multiple awards, it's already made its mark.

Power for the LDV V80 vans comes from an advanced, economical 2.5-litre turbo-diesel four-cylinder engine designed by the Italian VM Motori company. The Bosch electronically controlled engine produces up to 100 kW of power and 330 Nm of torque.

LDV is loaded with smart features like cruise control for those long journeys, fog lamps for added visibility and reverse camera for more confidence in reversing. The large load area which takes two standard pallets, dual sliding doors and rear barn doors make loading a breeze. The V80 van is available in a short wheel base low roof, long wheel base mid roof and long wheel base high roof, so no matter what you need to carry chances are there is an LDV built for the job.

### INTRODUCING THE LDV V80 PASSENGER VAN RANGE

The LDV V80 11, 12 and 14 seat buses offer you the pleasure of car-like handling with the power of an advanced diesel engine. Perfect for all your transport needs, the LDV is designed to carry large numbers of people in complete comfort.

LDV is loaded with smart features like cruise control for those long journeys, fog lamps for added visibility and rear parking sensors for more confidence in reversing. The side sliding door, with grab handles and an electric step make it easy for passengers to enter and exit.

### INTRODUCING THE LDV G10 CARGO VAN

LDV has a global reputation for building world class commercial vehicles, and the new LDV G10 Van is no exception.

In fact, nothing in its class comes close to matching the G10 for value and performance.

The G10 Cargo now comes in Petrol or Diesel, Auto or Manual and is spacious enough to fit 5.2m<sup>3</sup> of cargo. It offers easy access through two sliding doors and a rear lift tailgate. Plus it comes with Bluetooth, a quality audio system with touch screen LCD and a rear camera with park assist.

The G10 Auto has a powerful 2 litre, 165kW turbo engine with a six speed automatic transmission and cruise control. The G10 Manual variant comes with a 2.4 petrol multipoint fuel injection engine. A new 1.9 Diesel Turbo Engine boasts 106.5kW and 350Nm of torque.

And all of the above for a price that will make the G10 van the best value one tonne van in New Zealand.

2. Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.  
3. With LDV supplied tray only. 4. Payload and kerb weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Kerb weight includes the vehicle with a full tank of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and kerb weight. 5. ## The LDV D90 has arrived.

**THINK STYLE. THINK SAFETY. THINK TECHNOLOGY. THINK PERFORMANCE. THINK LUXURY.**

The 5 Star ANCAP Safety Rated D90 is everything you've been looking for in a full size family SUV. Go where you need to go, do what you need to do. And with enough room for the entire family to travel in comfort. It has you spoilt thanks to the mass of features and state-of-the-art technologies designed to bring luxury and ease to your life.

**LDV D90 Features include** • 2.0 Turbo Petrol • 165kW • 2WD or 4WD • 6 speed auto • Smart Key • 6 Airbags • Autonomous Emergency Braking • Stability Control • Front Collision Warning • Hill Descent • Lane Departure Warning • Blind Spot Monitor • Engine Start/Stop • Reverse Camera • Side Steps • Cruise Control • Multi Zone Climate Control • 7 Seats • 12 inch Touch Screen Entertainment System • Apple CarPlay and Android • 5 Year/130,000Km Warranty • **5 STAR ANCAP SAFETY RATING**

**WORKING HARDER EVERY DAY**

With the LDV D90 a family getaway has never been so easy thanks to its beefy 165kW/350Nm turbo-charged petrol engine that has a braked towing capacity of 2.8 tonnes. All D90s are equipped with a six-speed automatic gearbox which have three selectable drive modes: Normal, Sport and Eco. Pick from 2WD or 4WD options; the latter fitted with an electronic differential lock and an added four drive modes: Mud, Sand, Snow and Rock. You're ready for anything. Despite the capabilities of the D90, fuel economy hasn't been forgotten, from long expansive roads to inner city suburbs, the D90 will take you on all of life twists and turns and with 4WD, the end of the road is no longer the end.

### ELEGANCE REDEFINED

Turn heads and spark conversations. The D90 will command attention. The angles, style and presence on the road make the D90 one satisfying drive. On the Elite 2WD and 4WD models you get 18" alloy wheels which add to your experience on the road. Sleek roof rails will appeal to your weekend adventure side, and not forgetting the sturdy side steps to make entry and exit easy. It's a real beauty.

### SAFETY

With a 5 Star ANCAP Safety Rating, we're serious about safety. Everyone wants all the bells and whistles in a car, but at the forefront of any checklist is safety. The 5 Star ANCAP Safety Rated D90 makes safety a priority, so drive with peace of mind knowing your D90 is filled with safety technology and sophistication. It has six airbags, electric parking brake and driver assist technology such as blind spot monitor, lane departure warning, fatigue reminder and attention assist are the level of sophistication you can expect. Autonomous emergency braking, which can automatically apply the brakes is a big step forward for safety, coupled with front collision warning can together aid in a potential emergency should the driver be slow to respond. Added eyes provided by the reversing camera and front and rear parking sensors. You can feel confident driving the D90 knowing it is packed with safety assurance.

# ABOUT LDV

LDV (formerly known as Leyland-DAF Vehicles) is now part of the Chinese state owned SAIC Motor Group. SAIC Motor is the largest automaker in China and one of the largest vehicle manufactures in the world, having partnerships with several Western brands including General Motors, Volkswagen and Iveco. With US\$106.7 billion in revenue, SAIC climbed to number 36 on the Global Fortune 500 list of companies in 2016. Aside from producing components like engines, gearboxes, and powertrains, the company also covers the research, production and vehicle sales of both passenger and commercial vehicles. LDV is represented in New Zealand by Great Lake Motor Distributors Ltd, a 100% Kiwi owned company which also distributes the Korean marque SsangYong.

Through a spirit of independent innovation and focus on consumer and environmental demands, the SAIC Group is now Forbes magazine's 7th most powerful automotive company in the world.

## LDV

LDV is one of Europe's most recognised commercial vehicle brands. Not only has LDV had sales success as a cargo and passenger van, it has been selected by the British government for use by the Royal Bank, Royal Mail and as travel vehicles for the British Royal family. It is also the recipient of numerous international awards.
