DRIVING REVOLUTION

REXTON

The Enduring Appeal of Genuine Capability

GOING ALL OUT TO LEAD THE SEGMENT

The Rexton is now safer, stronger, more stylish and spacious than ever. With outstanding driving dynamics, equipment levels & technology have reached new heights of sophistication for your convenience, enjoyment and protection.

Full LED headlamp

Side repeater and puddle lamp mounted on the back of the outside mirror

Fog lamp

The Geometry of Sophistication

RETAINING THE SUV LEGACY WHILE CREATING A UNIQUE STYLE

As befits a luxurious yet rugged SUV, the Rexton features a bold new grille with a diagonal, chain-mail pattern. It is flanked by stylishly flush headlamp covers above, and an artfully angular body-coloured bumper element below. The effect is a stately beauty.

Dynamic Yet Simple

DISPLAYING A DISTINCTIVE LOOK IN THE BACK

The lights of the rear are shaped to play against the body's contours. They also establish an array of lights both high and low on the body, for maximum nighttime visibility and communication. In the spoiler above the window, a high-mounted stop light complements the brake lights of the full LED clusters, while turn signal lamps below flash in a variable pattern. The number-plate lamps cast a soft glow. Below the bumper, the muffler is concealed, while dual, trapezoidal tailpipe-ends hint at the engine's power.

Full-LED rear combination lamps

Rear license plate softly illuminated by LED lights

Variable turn-signal lamp

(Diesel models only)

Information Curation

PROVIDING A SOPHISTICATED ENVIRONMENT INSIDE

The Rexton distills a staggering amount of information down into easily digestible pieces, via its 12.3-inch digital cluster and its other interfaces. It prioritises what you need, when you need it, so you can relax and focus on driving. To help you park, the outside mirrors tilt down when you select reverse gear. For further parking assistance, and enhanced security and safety, a high-definition reverse camera from four external cameras on the 9-inch infotainment screen. The touchscreen lets you control navigation and audio, including radio, MP3, and digital audio broadcasting. The audio system supports Apple CarPlay and Google Android Auto, as well as USB devices.

Electronic parking brake with auto-hold function

SUPER-VISION CLUSTER (SPR only)

12.3" full digital cluster

APPLE CARPLAY AND GOOGLE ANDROID AUTO

Users may connect their smart phone to the display to make phone calls, check messages and listen to music while on the road.

Priority All Around

OFFERING COMFORT AND ROOMINESS TO DRIVER AND PASSENGERS ALIKE

There is a new level of comfort for second-row passengers, with firm, fully contoured seats, full headrests, and outstanding legroom. Both front seats are power-adjustable and ventilated, and seats in both the first and second rows are heated. Second-row seats double-fold to accommodate cargo. Preferred driver's seat and mirror settings can be stored for up to three drivers.

SEATING CONFIGURATIONS FOR 5-SEATS (WITH 3RD ROW FOLDED DOWN)

2nd row 40% flat (1,376L)

2nd row 60% flat (1,652L)

2nd row 100% flat (1,977L)

FOLDING SEATS TO CARRY EXTRA-LONG ITEMS

The second-row seat may also be double-folded to allow easy access to the third row.

SEATING CONFIGURATIONS FOR 7-SEATS

3rd row flat, 2nd row 40% flat (1,201L)

3rd row flat, 2nd row 60% flat (1,477L)

3rd row folded 50%, 2nd row folded flat 40% (777L)

3rd row folded 50%, 2nd row folded flat 60% (1,029L)

3rd row flat, 2nd row 100% flat (1,806L)

REXTON

Easy to Load and Unload

HAULING MORE WITHOUT SACRIFICING PASSENGER SPACE

Rexton can fit four golf bags widthwise in the cargo bay, thereby leaving the 2nd-row seats free for passengers to use. On SPR models the driver with arms full may open the tailgate without putting the items down. Simply keep the smart key in a pocket and stand near the back of the vehicle for just three seconds and the tailgate will pop open automatically.

2nd row folded flat 100%

Normal seating with luggage board raised

Putting Torquw to Good Use

MAINTAINING SUV AUTHENTICITY WITH 4WD AVAILABILITY

The Rexton is powered by a powerful 2.2L diesel engine. Normally the vehicle runs in rear-wheel drive, which enhances handling stability by optimising weight distribution, but the driver is free to select one of two four-wheel drive modes as needed. The Rexton can tow loads of up to 3.5 tons, the highest for this class of SUV.

PART-TIME 4WD (DIESEL ONLY)

Part-time four-wheel drive allows the driver to choose when to activate the system, depending upon changing conditions on or off the road. Operation safety and efficiency are thus superior to what by the full-time 4WD system provides.

REXTON

APPLYING THE MOST ADVANCED AUTOMOTIVE
HIGH-STRENGTH STEEL

High-density, high-tensile-strength steel plate makes up 81.7% of all the steel plate used in the Rexton's body, providing superb rigidity and protection against deformation in a collision. As such, the safety of the cabin structure has been maximised.

Solid and Dependable

KEEPING BOTH NOISE AND ENERGY
OUTSIDE THE CABIN

The Rexton is mounted on the new-concept "Quad Frame" which isolates the cabin from road surface and engine noise and helps protect occupants from impact forces. There are eight body mounts, the most in this class, a step that improves ride quality and steering stability. The frame is notable for the quality of its steel, its force-managing shape, and the uniquely complex structure of each bar.

CRUMPLE ZONE

The 'crumple zone' refers to that part of frame that conveys the most shock from a frontal collision to the inside of the cabin. This 'zone' is designed to absorb that force, thereby protecting the people inside.

QUAD FRAME

The frame members feature a quadruple-layered structure that exceeds the global standard for lateral collision safety.

ENHANCEMENTS TO ACTIVE SAFETY

APPLYING ADVANCED TELEMATICS TO ANTICIPATE AND AVOID ACCIDENTS

Ssangyong's ADAS (Advanced Driver Assistance Systems) applies sensing technology, data and artificial intelligence to many aspects of driving, to help you stay alert, out of danger, and in control.

THE LATEST TECHNOLOGICAL SOLUTIONS

DRIVER ATTENTION WARNING (DAW)

If the DAW system senses the driver's attention level has been significantly reduced, it will give audible warning and graphic on cluster.

AUTONOMOUS EMERGENCY BRAKING (AEB)

Helps avoid or mitigate collision effects by detecting moving or stalled vehicles and warning the driver in advance.

LANE DEPARTURE WARNING (LDW)

Warns the driver whenever the vehicle begins to move out of its lane unless the directional indicators are on in that direction.

Looking Out For You And Yours

IMPROVING THE SAFETY OF ALL OCCUPANTS

The Rexton comes equipped with nine airbags, including a driver knee-airbag and second-row side airbags. The steering wheel and steering column are specially designed to absorb the force of a collision, minimising the effect on the driver’s chest area, and active head restraints move forward in the event of a collision to close the gap between the occupant and the headrest to prevent whiplash.

9 AIRBAGS

- 1 Driver’s airbag
- 2 Driver’s knee protection airbag
- 3 Passenger’s airbag
- 4, 5 Driver’s & passenger’s side airbags
- 6, 7 Rear seat side airbags
- 8, 9 Curtain airbags

FEATURES LIST*

MECHANICAL	Sport 2.2	SPR 2.2
e-XDi 220 2.2L diesel engine with SCR system (Euro 6d STEP2)	•	•
8-speed automatic transmission with shift by wire	•	•
Gearshift knob	•	•
Part-time 4WD with shifting on the fly	•	•
Double-wishbone front suspension system with coil springs	•	•
Impact-absorbing 10-link rear suspension	•	•
Ventilated disc brakes for front and rear	•	•
Electronic parking brake with auto-hold function	•	•
70L fuel tank	•	•

SEATS		
8 way power-adjustable driver's seat		•
6 way power-adjustable front passenger's seat		•
4 way Driver's seat power lumbar support		•
Seat memory settings for three drivers, including seat & outside door mirror positions, stored in onboard memory		•
60:40 split folding 2 nd -row seats with folding centre armrest	•	•
Double-folding seats in 2 nd -row	•	•
50:50 split folding 3 rd -row seats	•	•
Automatic easy access mode for driver's seat		•
Heated seats for front and rear		•
Ventilated seats in front		•
Sliding front headrests	•	•
Premium Nappa black leather seat upholstery		•
TPU (thermoplastic polyurethane) seat upholstery	•	
Flat woven seat upholstery		
Seat belt reminder (all seats)	•	•

WHEEL AND TYRE		
18" alloy wheels 255/60 tyres (diamond cut)	•	
20" sputtering wheels 255/50 tyres (chrome finish)		•
Full size spare tyre	•	•

EXTERIOR	Sport 2.2	SPR 2.2
Chrome coated on radiator grille	•	•
Full LED headlamps	•	•
LED type fog lamp	•	•
High-glossy skid plate under front & rear bumpers	•	•
Outside rearview mirrors with side repeater and puddle lamp	•	•
LED rear combination lamp with light guide	•	•
Air spoiler with LED high-mounted stop lamp	•	•
LED license plate lights	•	•
Aero-blade wipers	•	•
Body color outside door handles with hidden key button	•	•
Clean-sill door	•	•
Invisible muffler	•	•
Fashionable black and silver roof rails	•	•
Rear fog lamps	•	•
Daytime running LED lamps C-Type	•	•
Daytime running LED lamps	•	•

INTERIOR		
Survivors with illumination and sliding extension	•	•
Glove box with lamp and key lock	•	•
A-pillar cloth trim	•	•
B-pillar assist grip	•	•
Stainless steel scuff on front & rear doors	•	•
Illuminated front-door scuff		•
Leather-wrapped gear knob	•	•
LED lamps in cabin		•
Chrome inside door handle	•	•
Ambient lights on the instrument panel and door handle		•
Floor mats	•	•

STEERING		
Hydraulic power steering	•	•
Speed-sensitive power steering	•	•
Leather steering wheel cover	•	•
Manually controlled tilt and telescopic steering	•	•
Steering column lock	•	•

SAFETY	Sport 2.2	SPR 2.2
Autonomous Emergency Braking (AEB)	•	•
Forward Collision Warning (FCW)		•
Lane Departure Warning (LDW)		•
Front Vehicle Start Warning (FVSW)		•
Safety Distance Warning (SDW)		•
Driver Attention Warning (DAW)	•	•
Blind Spot-detection Warning (BSW)		•
Lane Change-collision Warning (LCW)		•
Smart High Beam (SHB)		•
High-strength-steel construction	•	•
Ultra-rigid Quad Frame for greater strength, Less vibration and noise	•	•
Door impact beams for added protection from side collisions	•	•
4-channel anti-lock braking system	•	•
Electronic Stability Programme (ESP) with Traction Control System (TCS), Hill Descent Control (HDC), Active Roll-over Protection (ARP) and Emergency Stop Signal (ESS)	•	•
Dual airbags for driver and front passenger	•	•
Side airbags for front and rear passengers	•	•
Curtain airbags for front and rear passengers	•	•
Driver's knee airbag		•
Front seatbelt load limiters and pre-tensioners	•	•
2 nd row 3-point seatbelt	•	•
Airbag on/off switch for front passenger	•	•
Seatbelt reminder (all seats)	•	•
Child seat anchorage	•	•
Manual seatbelt height adjustment on B-pillar	•	•
Childproof safety lock	•	•
Speed-sensitive door lock	•	•
Visual VIN	•	•

AIR CLIMATE		
Automatic air conditioning system (dual-zone control)		•
Manual air conditioning	•	
Rear manual air conditioning system for 7 seater		•
Automatic defogging system		•
Cabin air quality control system	•	•
Cluster Ionizer	•	•
Rear air vent on centre console	•	•
Positive temperature coefficient (PTC) heater with diesel engine	•	•

CONVENIENCE	Sport 2.2	SPR 2.2
Cruise control	•	•
Windshield wiper de-icer	•	•
Electro-chromic inside rearview mirror	•	•
Headlamp leveling device	•	•
Intermittent rear wiper	•	•
Automatic light control and rain-sensing wipers in front	•	•
Outside door mirrors that can be electrically controlled and folded	•	•
Tinted, noise-control windshield glass	•	•
Tinted front-door glass	•	•
Privacy glass (Rear-door windows, Quarter windows, Tailgate window)	•	•
Safety powered windows	•	•
One-touch triple-turn signal lamp	•	•
Folding, remote keyless entry system	•	•
Illuminated ignition	•	•
Supervision cluster with 12.3" full LCD color trip computer		•
Instrument cluster with 3.5" monochrome TFT-LCD trip computer	•	
Variable luggage shelf	•	•
8" smart audio with rear-view camera	•	•
Six speakers	•	•
Bluetooth telephone connectivity with streamed audio	•	•
Audio remote control switches on steering wheel	•	•
Car connectivity (Apple Carplay & Google Android Auto)	•	•
Smart power tailgate		•
Front obstacle warning system (4 sensors) with 2-stage alarm	•	•
Folding type dual rekes key system with key hole illumination	•	•
2-channel touch sensing door handle	•	•
12V power outlet & 2 slot USB charger on console back	•	•
